

CERTIFICATE I IN CONSTRUCTION

COURSE CODE: CPC10120

Issuance of this qualification is awarded by Djarragun College RTO30166

QUALIFICATION DESCRIPTION

In this entry-level practical course, you will be learning how to use basic tools and equipment and get hands-on training in fundamental construction techniques. This is a pre-apprenticeship course and will get students 'job-ready' for an apprenticeship in construction.

Djarragun College has an agreement with the authority to issue general construction induction training cards, on behalf of Workplace Health and Safety Queensland.

ENTRY REQUIREMENTS

Enrolled Djarragun College students may apply to enrol in a VET course from Year 10 onwards.

DURATION AND LOCATION

This Certificate is delivered over 2 years on site at Djarragun College, in our purpose built trades training centre and workshops.

DELIVERY MODES

The course will be delivered in the classroom, face-to-face, using a range of practical and theoretical teaching and assessment methods.

FEES

There is no additional fee for enrolling in a VET course, there are two different College fee levels applicable for enrolling at the College. Any VET courses are covered within this fee.

SUPPORT SERVICES AVAILABLE

The College has invested heavily in support services to support student learning. We have a substantial support staff made up of Teaching Assistants, Learning Enhancement teachers and Youth Support Officers.

We also partner with Ngak Min Health to access services that are typically not available in schools.

RTO OBLIGATION

Djarragun College guarantees that the student will be provided with every opportunity to complete the qualification. We do not guarantee employment upon completion of this qualification.

Students who are deemed competent in all units of competency will be awarded a Qualification, a Record of Results and full QCE points.
