

# CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION

AUR20720

Issuance of this qualification is awarded by Djarragun College RTO30166

## QUALIFICATION DESCRIPTION

In this course you will gain the basic skills and knowledge required to carry out tasks in an automotive workshop. You will obtain a basic understanding of electrical and mechanical components and systems in an automotive application. The knowledge and skills acquired will improve your employability for a mechanical apprenticeship or simply help you to maintain and carry out basic repairs on your own vehicle.

## ENTRY REQUIREMENTS

Enrolled Djarragun College students may apply to enrol in a VET course from Year 10 onwards.

## DURATION AND LOCATION

This Certificate II course is delivered over 2 years on site at Djarragun College, in our purpose built automotive training centre and workshop.

## DELIVERY MODES

The course will be delivered in the classroom, face-to-face, using a range of practical and theoretical teaching and assessment methods.

## FEES

There is no additional fee for enrolling in a VET course, there are two different College fee levels applicable for enrolling at the College. Any VET courses are covered within this fee.

## SUPPORT SERVICES AVAILABLE

The College has invested heavily in support services to support student learning. We have a substantial support staff made up of Teaching Assistants, Learning Enhancement teachers and Youth Support Officers.

We also partner with Ngak Min Health to access services that are typically not available in schools.

## RTO OBLIGATION

Djarragun College guarantees that the student will be provided with every opportunity to complete the qualification. We do not guarantee employment upon completion of this qualification.

Students who are deemed competent in all units of competency will be awarded a Qualification, a Record of Results and full QCE points.

Students who achieve at least one unit of competency (but not the full qualification) will receive a Statement of Attainment and may receive some QCE points.

## PATHWAYS

Mechanical apprenticeship in light, heavy or marine industry. Trades assistant, Spare parts or tools salesperson

## QCE POINTS

- Certificate II level courses will attract 4 QCE points.
