

CERTIFICATE II IN ABORIGINAL AND/OR TORRES STRAIT ISLANDER PRIMARY HEALTH CARE

COURSE CODE: HLT20113

Issuance of this qualification is awarded by Djarragun College RTO30166

QUALIFICATION DESCRIPTION

Djarragun College is committed to providing quality VET training in Aboriginal and/or Torres Strait Islander Health.

We support the belief that Community Controlled Health Services are central to Closing the Gap in health, workforce presence and participation for Aboriginal and/or Torres Strait Islander Peoples.

This qualification is suited to Australian Apprenticeship pathways and is appropriate for delivery within VET in Schools programs.

We are proud to deliver training through the use of our online platform and Primary Health Simulation Classroom which provides a range of opportunities for students to demonstrate their knowledge and skills.

ENTRY REQUIREMENTS

Enrolled Djarragun College students may apply to enrol in a VET course from Year 10 onwards.

DURATION AND LOCATION

This Certificate II course is delivered over a 2 year period on site at Djarragun College, in our purpose built simulation health training room.

DELIVERY MODES

The course will be delivered in the classroom, face-to-face, using a range of practical and theoretical teaching and assessment methods.

FEES

There is no additional fee for enrolling in a VET course, there are 2 different College fee levels applicable for enrolling at the College. Any VET courses are covered within this fee.

SUPPORT SERVICES AVAILABLE

The College has invested heavily in support services to support student learning. We have a substantial support staff made up of Teaching Assistants, Learning Enhancement teachers and Youth Support Officers.

We also partner with Ngak Min Health to access services that are typically not available in schools.
