# GREETINGS FROM THE EXECUTIVE PRINCIPAL

It is a pleasure to celebrate the achievements of the Djarragun College community throughout this year. As we conclude another chapter in the vibrant story of our College, we are reminded of the Djarragun Way—our commitment to support, respect, and uplift each member of our community, ensuring everyone has the opportunity to succeed.

This year has been a journey filled with remarkable milestones. We have witnessed the incredible efforts of our students, from the academic rigour shown in our classrooms to the athletic spirit displayed on the sports fields, and the artistic talent showcased in events like Tribalmania. These experiences are not just highlights but testaments to our community's dedication to excellence and growth.

## Academic and Cultural Achievements

We started the year with excitement, introducing initiatives such as the 4-Dimensions Learning framework to make classroom experiences more engaging and effective. Our CARE Educators have been instrumental in creating a nurturing and supportive environment, offering both academic and pastoral support to help our students thrive. Our commitment to experiential learning extended to offsite excursions, work placements, and innovative programs that provided students with hands-on, real-world experiences. From work placements in early childhood centres and health services to engineering tours and hospitality events, our students are gaining invaluable experiences that prepare them for successful futures.

Reconciliation Week and NAIDOC celebrations were pivotal moments where our students embraced our cultural heritage. From the powerful Mabo Day march to activities like boomerang and rock painting, our community came together to honour the rich history of our land and the enduring legacy of our First Nations people.

## Sports Excellence

Sports have played a pivotal role in fostering unity and competition. Whether it was the Cowboy Cup, our Athletics Carnival, or the fiercely competitive but friendly matches against Gordonvale High School, our students demonstrated resilience, sportsmanship, and unwavering spirit. Special congratulations to our age champions and the representatives who competed at the Trinity Coast South and Peninsula events. Your hard work and dedication have made us all proud.

One of the most exciting opportunities this year was for our Year 5 and 6 NFL Flag team. Under the passionate and skilful coaching of Mr. Brodie, the team trained relentlessly and competed in their first-ever NFL Flag competition in Term 3. Their determination paid off when they emerged victorious, earning a spot to compete at the State trials on the Gold Coast in Term 4. This trip was not just about the game but an unforgettable experience for our students. They proudly represented Djarragun College, demonstrating exceptional teamwork, discipline, and the true spirit of our school. To see them compete on such a significant stage and enjoy the camaraderie of their teammates and coaches was truly inspiring. We wish them continued success in their sporting journey.

## Vocational Education and Training

Our Vocational Education and Training (VET) programs continue to empower students by giving them practical skills and real-world experiences. From work placements in early childhood centres and health services to engineering tours and hospitality events, our students are gaining invaluable skills that prepare them for successful futures. It has been inspiring to see our Certificate II and III students shine, whether they were serving meals at Birrgal restaurant, catering at community events, or showcasing their engineering projects. Your commitment to learning and excellence will undoubtedly pave the way for a bright future.

## Dedicated Staff

I want to take a moment to express my deepest gratitude to the staff of Djarragun College. Each embodies the heart and soul of our College community. Their unwavering dedication, boundless compassion, and tireless efforts have transformed the lives of so many young people. They are more than just teachers, support staff, and mentors—they are role models, guiding lights, and pillars of strength. They have faced the challenges of this year with grace and resilience, ensuring that every student felt supported and valued. Whether it was in the classroom, on the sports fields, or during cultural celebrations, they have given their all, and the impact of their work is evident in the smiles, confidence, and growth of our students.

**Dr Michael Barton**

Executive Principal

# Presentation Day

Presentation Day 2024 at Djarragun College is an event of great pride and celebration, as we gather to recognise the outstanding achievements of our students across various domains. From academic excellence to sporting prowess, cultural contributions, citizenship, and leadership, this day is a testament to the hard work and dedication of our students throughout the year.

We are thrilled to announce the College Captains for 2025. These outstanding students have demonstrated exceptional leadership qualities and a commitment to our school community. Congratulations to Ziair Allen, our College Captain for 2025, and Elekana Murgha, our Vice Captain. We are confident they will inspire and lead our school with pride and dedication in the year ahead. Well done to both of you!

This year also marks a significant milestone for our graduating Year 6 students, who are concluding their primary school journey. We are incredibly proud of all they have accomplished, and we eagerly anticipate the bright futures that await them in secondary school.

For the graduating seniors of 2024, this week brings the conclusion of a remarkable 12-year journey. These students have made significant contributions to our school over the years, and their achievements—both inside and outside the classroom—are a source of immense pride for our College community.

We congratulate all of our students and wish them continued success in their future endeavours!

Photos and videos can be viewed on our website: <https://djarragun.qld.edu.au/home/photo-gallery/>

# PRIMARY & SECONDARY NEWS

## Primary Keeps Kicking Goals: NFL Flag Championships

Our Year 5/6 team had an incredible adventure competing in the National Championships on the Gold Coast. After winning the Cairns competition, we were one of only 10 teams to qualify. This was a huge achievement considering we'd trained for less than a term! While we didn't take home the trophy, the trip was filled with exciting firsts for many of our students: flying on a plane, a train ride to the Gold Coast, staying in a fancy hotel, and visiting SeaWorld, where students even rode rollercoasters. A massive thank you to the NFL for making this unforgettable experience possible.

## Premier's Reading Cup Challenge

We received our certificates for the Challenge at the beginning of this term. No one could remember if Djarragun had participated before, so this was big. Really big. Some students even went past the number of books required to meet the challenge. Now that we've done our first year, we will be back next year to do it again.

## Rock and Water

The Year 5/6 class participated in Rock and Water sessions this term; a program that incorporates various activities and games designed to build self-confidence and promote self-awareness. The course is particularly engaging for students who thrive in active, game-based environments. Students are taught to stand firm, use "rock" (assertive) or "water" (calm) communication styles, walk away from conflict, explore non-aggressive solutions, and gain a deeper understanding of themselves, their instincts, and their personal goals. The students have even started applying these techniques in the playground.

## Year 6-7 Transition Days

Our Year 6 students embraced their upcoming move to Secondary School with a series of transition activities. Highlights included a Drama lesson with Ms Tanya, which they loved so much they didn't want to leave, E-Games with Mr Andres (described as "EPIC!"), and Maths with Dr Michael, where they collected data by eating bugs—possibly chocolate, possibly real! They also practiced navigating secondary routines, including morning tea and lunch in the Dining Hall, although they're still adjusting to less playtime!

**Liz Thomas**  
Deputy Head of Campus  
(Teaching & Learning)

## End of Year Party

The Primary students ended the year in style. After spending the morning doing final tidy ups of classrooms, finishing Christmas crafts and other such, very important things, the students enjoyed a dance party, pass the parcel, the best lunch and a movie, complete with goody bags and popcorn.

All students went home with books to add to their own home library.

It's been a busy, exciting Term 4 filled with learning, growth, and unforgettable experiences. Well done, everyone!

# ACADEMY OF EXCELLENCE NEWS

It has been a big year for the Academy of Creative and Performing Arts regarding events, competitions, exhibitions and student completions. Six of our Year 11 and Year 12 students completed a Certificate III in Aboriginal and/or Torres Strait Islander Cultural Arts in 2024. Three of our Year 12 students graduated from the College with this qualification. As our graduating Year 12 students embark on this new chapter in their lives, our wish for them is to continue to enjoy the journey and stay curious and never stop learning and seeking knowledge. Also, remember that education is not confined to the walls of a classroom, but it is a continuous journey throughout life which is full of opportunities waiting for them to seize. We look forward to seeing these artists continue to grow their arts practices, explore and share their talents and keep the cultural arts alive. All three became members of the UMI stable of artists, as this will provide a pathway into the visual art world.

Djarragun College was very well represented in the Queensland Aboriginal and Torres Strait Islander Foundation Creative Art Awards (QATSIF) held in Brisbane. The awards were sponsored by Griffith University, this is an annual competition for all Aboriginal and Torres Strait Islander Secondary students for the State of Queensland.

This year, fifteen of our art students entered artworks in the 2024 QATSIF and Griffith University Creative Arts Competition. All fifteen students received some sort of recognition for their entries within the competition.

Holly Douglas received an outstanding 2nd place in the State for her acrylic painting and a third place in the State for her lino print. Solace Barnaby, Kaylene Sambo and Kaissia Dick received 3rd place in the State for their paintings in their year and age levels.

Iona Ambrym, Peter-Lee Anderson, Tonita Ellis, Shantelle Evans, Chloe McGilvary, Savannah Ngallametta, Olivia Pootchemunka, Gwen Thomas, Tarek Turner and Eileen Williams all receive a highly commended for their art works entered the competition in their respective age and grade levels.

The students who study a Certificate III in Aboriginal and/or Torres Strait Islander Cultural Arts are not only from our local Indigenous communities but from around Cairns, Kuranda and Yarrabah and from the remote regional Aboriginal and Torres Strait Islander communities of Cape York and the beautiful Torres Strait Islands. We also have students who come from the small, isolated communities of the Northern Territory. All of whom choose Djarragun College as a preferred place to study.

This year the students were very busy creating artworks for the exhibitions and events which were held this year. The Cultural Art students' artworks have been represented in five different exhibitions throughout the year. "The Summer Show", "You and Me" and "Culture Through Our Eyes" were exhibitions curated by the staff at UMI Arts. These exhibitions were held at the UMI Manoora gallery complex.

"Tribalmania" was an exhibition which was one of Djarragun's major events on the calendar. This year "Tribalmania" represented twenty-four First Nations Artists who are currently studying Art in Years 10, 11, and 12. The exhibition is held annually in September in conjunction with our NAIDOC Week celebrations. The event not only showcases the talents of our Cultural Art students, but the outstanding skills of our hospitality students who cater for this event and who are studying a Certificate III in Hospitality.

The event was well attended and our students were thrilled to sell many of their paintings on the day.

This year we decided to take “Tribalmania” to the city and hold an exhibition and event at “Birrgal”, Djarragun College’s training restaurant for our hospitality students. Birrgal is located on Sheridan Street in Cairns.

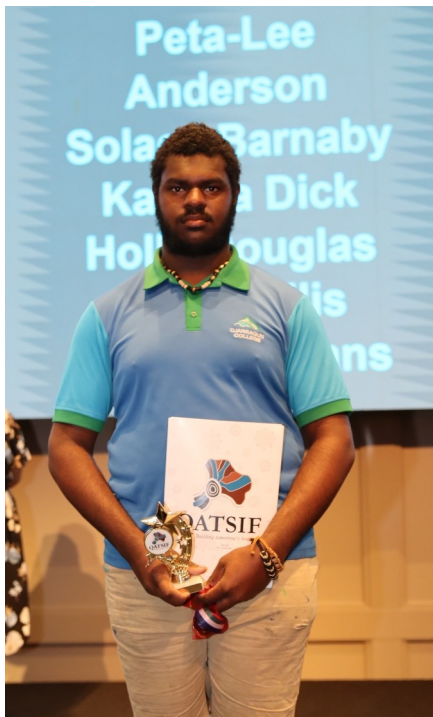

“Tribalmania in the City” was an exhibition which represented the works of nine Cultural Art students. This invitation only event not only showcased the art students but also highlighted the culinary skills of our Certificate III Hospitality students who, once again, presented a delicious three course meal. The guests had a chance to experience the culture of Djarragun College’s training restaurant.

In 2025, we’re thrilled to continue offering our students unique and engaging visual arts activities, programs, and events. These opportunities will help our students develop new skills, expand their knowledge, and build confidence. Many of our budding artists will use these experiences as a pathway to meaningful careers in the creative industries. Stay tuned for an inspiring year ahead!

Noel Mason

Dean of Academy of Creative & Performing Arts

As we began to wind down for the year, Term 4 still delivered an incredible amount of events. I was fortunate enough to be able to work with our up and coming Leaders of the College this term, alongside Mr Stephen Cousins (Cuzzy to us!). We went through a vigorous process where students were to submit applications, engage in a one-day workshop, and participate in interviews with Cuzzy and myself. All the students who participated demonstrated exceptional confidence, communication skills, and leadership qualities. It is a privilege to be able to work with our young people and see how far they can go.

I would like to congratulate our Captains for 2025, Ziair Allen and Elekana Murgha, our Vice Captains Solace Barnaby, Lowella Miller and Ali Wosomo, our Boarding Captain Nathaniel Bosun, and our House Captains Rhy'anna Kabai (Kundii House), Shamira Assan (Waru House), and Maysharn Noble (Guyala House). I look forward to working with each and every one of them next year.

### Middle School Sport

This term we changed things slightly and our Years 7-9 students attended sport during Periods 4 and 5 every Friday in their year levels.

Year 9 students attended a Basketball Development program with the Senior Basketball Development students at the Edmonton PCYC. The Year 7 and 8 students attended Defy Gravity rock climbing in Manunda, and swimming at Tobruk pool. There were a selected number of students who also attended the NRL Development Program onsite with Mr Peri Creamer – a Development Coach for the NRL.

The students enjoyed these activities and engagement was high. Moving into 2025, students will remain attending in their year levels during the designated time. They will be required to have 80% in class attendance to participate in the activities as well.

### NFL Flag

Mr Brodie worked incredibly hard with our Year 5-6 students who not only took out the Championship in Cairns for the NFL Flag competition, but were flown to the Gold Coast during the middle of October to compete against 10 other schools around Australia. This was a fantastic opportunity for our senior Primary students who all enjoyed the trip immensely. Mr Brodie would like to pay special mention to Zephaniah Thomas, who he has named as player of the game during the Gold Coast trip. His sportsmanship on and off the field and his beautiful nature towards others was second to none. Well done Zephaniah!

**Kimberley Tate**

Dean of Sporting Academies of Excellence

**Basketball**

Cuzzy worked with our Primary and Years 7-8 students this term to play competitive basketball 3 v 3 competition at the Cairns Basketball Stadium. All teams did exceptionally well and provided students an opportunity to play against other schools. The skills, experiences, and sportsmanship they developed during these opportunities allow students to carry these skills through to the classroom and beyond.

Another game for Years 8-9 students was played against Gordonvale High School in Week 7. We had 6 students participate in this game and all displayed great sportsmanship. Unfortunately we did not win this round, but we have pencilled in a decider for Term 1 2025.

**Primary Indigenous Games**

Miss Susan and I took 12 Year 5-6 students to the Primary Indigenous Games at the Cairns Hockey Centre in Week 7. The traditional game of Bourinjin was played between other schools in Cairns.

It was a very hot day but the students had such a great time. We were able to borrow students from other schools – mainly Parramatta. It was good to see the connections between the students as the Djarragun students who played last year remembered the Parramatta students who played for us last year as well as this year. We also had a student from Isabella play the full last game for us.

Despite the heat and the fatigue that set in at the end, all the students had a blast, made new friends, and enjoyed the day together. A massive thank you to Miss Susan who helped support her beautiful class on the day.

**House v House Competitions**

During the term the Sport Team ran a number of House v House competitions during lunch times. The engagement of the students was high and there was lots of fun being had. The students who participated all contributed to their overall House points for the final winner, which was announced at the Presentation Day. These events will continue to run next year with all student participants adding points to their final house tally for the end of the year award.

I hope everyone has a restful break over the holidays and I look forward to sharing the sporting achievements of our students next year.

# VOCATIONAL EDUCATION NEWS

## Thank You, Certificate III Hospitality Class

What an incredible way to bid farewell to our Year 12 students! A huge thank you to Ms. Tricia and her amazing Certificate III in Hospitality students for hosting a delicious farewell breakfast at the end of Term 4. The spread was truly impressive, with all the cooked breakfast trimmings. It was heart-warming to see our Year 12s enjoying themselves, smiling, and feeling a sense of relief as they celebrated the end of their school journey.

## Exploring Primary Health Care

This term, our Certificate II in Aboriginal and/or Torres Strait Islander Primary Health Care students participated in a First Nations Rural Health workshop. They explored topics like nutrition, plastering, and hand hygiene, gaining valuable skills and insight into health careers. Their dedication to mastering these essential skills is inspiring!

## Stylish Success in the Salon

Congratulations to Jaykitta and Ryh'anah, our talented Certificate II Salon Assistant students, for showcasing their hairdressing skills this term. From straightening and curling to braiding, their work for the Year 12 Formal was truly impressive. Watch out for these rising stars in the world of hairdressing!

## A Wonderful Term Wrap-Up

As we look back on this term, we celebrate the dedication, growth, and achievements of our students. Their hard work and passion shine brightly, and we couldn't be prouder. Well done, everyone!

**Lachlan McDonald**  
VET Coordinator

## Work Experience with Yarrabah Aboriginal Shire Council

This term, Shakeitha Ambrym-Richards and Elekana Murgha gained valuable hands-on experience through their work placements at Yarrabah Council. Every Tuesday, they explored various departments, including road maintenance, water and drainage, administration, and the wildlife and ecosystem team. This opportunity provided a wonderful insight into the important work carried out by the Council and was a fantastic learning experience.

**Jill McIlwain**

VET Teacher

## Learning the Road Rules

Two of our students, Susannah Lui (Year 12) and Holly Douglas (Year 11), embarked on their first driving lessons this term with Susan from By the Book Driving. Despite some initial nerves, both girls did an amazing job. Holly tackled the busy Cairns traffic after her work experience at Cairns Base Hospital, while Susannah took on an early morning lesson in Gordonvale and Edmonton. Susannah even received high praise from her instructor, who said she's ready for her P's!

## Hands-On Early Childhood Learning

Our Certificate III in Early Childhood students have had an incredible year, completing work placements across Cairns' childcare centres. From swaddling babies to changing nappies, these students embraced every opportunity to grow their skills and connect with children. Special congratulations to our Year 12 graduates, Vika Ambrym, Yagal Burns, and Bella O'Burns, for their achievements in this field.

A special shoot-out goes to Vika and Mable (Year 11), who worked tirelessly during school holidays at Child World Early Learning Centre, completing three weeks of full-day placements. Vika's exceptional performance even led to a paid opportunity—a testament to her hard work and dedication.

Our heartfelt thanks go to the childcare centres that have supported our students' learning, including Child World Early Learning Centre, Natural Beginnings, Eden Academy, Goodstart Early Learning, Cairns TAFE Community Childcare, C&K Balaclava, Yarrabah Daycare, Koolkan in Aurkun, Timbertots Childcare in Brisbane and many others.

To show our appreciation, Djarragun College presented these centres with Certificates of Appreciation and a celebratory cake.

**Juliet Felix**

VET Teacher

# YEAR 12 FORMAL: A NIGHT TO REMEMBER

On Thursday, 14 November, we farewelled 33 of our Year 12 students at their Graduation and Dinner, held at the Pullman International Hotel in Cairns. It was a truly magical evening!

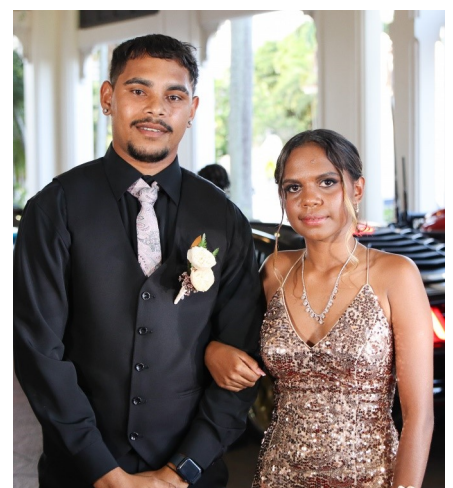

Dressed to impress, our students arrived in style, pulling up in some very fancy cars to begin their celebrations. The night featured memorable moments, a delicious dinner, plenty of dancing, and tables filled with families, love, and laughter.

This extraordinary event was dedicated to celebrating the incredible achievements of our graduates. But this is not goodbye—it's the beginning of new adventures as they step into the next chapter of their lives.

The evening was a perfect reflection of the year: filled with successes, challenges, and purpose. It was alive with celebration, joyful dancing, love, laughter, and, yes, a few tears. For our Year 12s, those tears marked the bittersweet end of their schooling journey. For our younger students, they represented the exciting road ahead.

Congratulations to our Class of 2025—you've made us so proud!

Photos and videos can be viewed on our website: <https://djarragun.qld.edu.au/home/photo-gallery/>

# BOARDING NEWS

What a year it has been for boys boarding 2024. We have had many exciting and different opportunities this year and specifically this term as we have come to the end of another great year. We have had opportunities to share experiences with one another, celebrate graduation with our Year 12 seniors as they journey into the next stage of their lives. Our young men were able to share their heartfelt thanks, pride and love about their time at Djarragun College and farewell their mates for the last time.

It has been a great experience to watch our young men create new friendships and nurture existing ones with their peers from communities all over Australia. We have witnessed the sharing of culture amongst our boarding community, acceptance of difference and being able to work with one another within our boarding community.

This year has been a learning experience for myself, as I had started in Term 2 getting to know our staff and most importantly each young man in our boarding community. It has been a great experience to build relationships with each young man, earn the right to be called an 'uncle' and the opportunity to stand by each one of our young men and journey with them. It has been great to watch how our staff have grown with our young men, and we are hopeful that we will pick up where we left off in the new year.

On behalf of the boys boarding staff, we thank you for your support throughout the year. May you all have a safe and wonderful holiday season and look forward to your sons returning in 2025.

**Michael Finau**  
Head of Residential Life

As we all board our flights to all of our respective community directions it gives us a great opportunity to reflect on the year we have had in Girls' Boarding. We appreciate the friendships built and talk about the relationships we look forward to growing next year in Term 1 2025.

I thank all students, families and staff for their hard work and commitment on supporting each other and our young people through 2024. Some parts challenging, especially for our families who are based a long way from their children. Most of all, for our young people, some of whom have never been away from home let alone a brand new college. I wish everyone a very safe festive season and can't wait to see you all in January 2025.

Following are a few notes from some of the staff within our boarding houses.

**From Kathrine Rogers:** Our girls have managed themselves the best way they could have during this term and we are very proud of their efforts. We also appreciate the support from the families who have been included in the process and we hope everyone has a happy Christmas holiday.

**From Philemona Faud:** It has been a pleasure to see the students' growth over the year. Their dedication to learning has been admirable. Wishing them a fantastic holiday and looking forward to seeing their progress in the next year.

**From Gernika Warren:** To our girls, thank you for all the memories that have been made this year. It has been a blessing to be a part of your little and big achievements. I hope you all continue to grow into the wonderful young women that you are. Have a lovely holiday and see you next year.

**From Emily Jose:** As we reflect on the year at Djarragun College, it's clear that it has been a time of significant growth, connection, and achievement for all our students. From academic pursuits to building meaningful friendships and taking part in a wide range of activities. Students have embraced new challenges, shown resilience in the face of obstacles, and supported one another in ways that highlight the strength of our close-knit environment. We're proud of the progress they've made so far and grateful for the trust you place in us to nurture and guide them. As we finish the rest of the year, we remain committed to fostering a space where each student can continue to learn, thrive, and create lasting memories and cannot wait to see them all return next year.

**Hannah Rosalski**  
Head of Girls' Boarding

# CAPE YORK GIRL ACADEMY NEWS

# GREETINGS FROM THE HEAD OF CAMPUS

## Reflecting on the Year That Was: A Celebration of Growth and Community

As the year draws to a close, we take a moment to reflect on the remarkable journey our students, staff, and families have shared. This year was marked by challenges, resilience, and countless moments of triumph that have strengthened our community and inspired us all.

Our students have shown incredible determination and growth, reaching new milestones and embracing challenges with courage. Whether excelling in academics, forming lasting friendships, or stepping up as leaders, they have exemplified the values of strength, adaptability, and heart.

This year was not without its hurdles, but through every challenge, our Academy stood united. Together, we created a supportive environment where students could thrive—not just in their learning but in their personal development.

Highlights of the year include moments of discovery, creativity, and connection as students uncovered talents, pursued passions, and supported one another. Their journeys reminded us that true success lies not in perfection but in the resilience to keep striving and growing.

We also celebrated our graduating class—Ada, Tilona, and Lexine—who leave us as confident, capable young women ready to make their mark on the world. Their leadership, creativity, and quiet determination have left an indelible mark on our community.

To our families, thank you for your unwavering support and trust. Your encouragement has been the foundation of your children's achievements. To our staff, your dedication, guidance, and passion have shaped the lives of every student in profound ways.

As we look to the future, we carry the lessons and memories of this year with us. Thank you to every member of our community for making this year so extraordinary. We wish you a joyful holiday season and look forward to another year of learning, growth, and connection in 2025.

**Mrs Shonell Gohier**

Head of Campus - Cape York Girl Academy

# Year 12 Formal

On Friday night, 15th November, Cape York Girl Academy hosted an extraordinary evening—the Year 12 Formal Graduation Dinner and Dance, held at The Benson Hotel, Cairns. This event was not a farewell but a celebration of achievements and the beginning of exciting new journeys for our remarkable students.

The night was filled with pride, joy, and reflection as we came together to honour the successes and challenges of the past year. The atmosphere was alive with celebration, laughter, love, and joyful dancing, creating memories that will last a lifetime.

For our graduating Year 12 students, there were bittersweet tears as they marked the end of their formal schooling journey. For our younger students, those tears carried the promise of their own bright futures yet to unfold.

As I stood before our students, beaming with pride, I was reminded of the purpose that drives us all—the opportunity to witness and contribute to their growth, resilience, and success. Friday night was a true testament to their incredible achievements and the bright futures that await them.

Congratulations to our graduating Year 12 students—you have made us so proud!

**Mrs Shonell Gohier**

## Finishing Year 12 in 2024?

Take part in the **Next Step survey**

### When?

March to June 2025

### Why?

Your answers will help improve services for future students and you can win a laptop!

### How?

You will be contacted by phone, email or mail.

Check your contact details are correct at <https://myqce.qcaa.qld.gov.au> to receive your invitation.

More info at [www.qld.gov.au/nextstep](http://www.qld.gov.au/nextstep)

## Next Step Year 12 Completers survey

Update your contact details

Have your say ...

take part in the **Next Step** survey!

**Who?** All students completing Year 12 in 2024

**What?** The *Next Step* survey will ask you about your activities since finishing school, like study and work.

**How?** Expect to be contacted by phone, mail or email. To help us reach you, please check your contact details are correct in your learning account by logging into the student portal at <https://myqce.qcaa.qld.edu.au>

**When?** March to June 2025

**Why?** Your answers to the *Next Step* survey help schools and further education providers improve their services for future students. Plus, go in the draw to win a laptop!

More info at [www.qld.gov.au/nextstep](http://www.qld.gov.au/nextstep)

### 2025 Next Step Year 12 Completers Survey

Year 12 students will be invited to participate in the Next Step Year 12 Completers survey starting in March 2025, following up on their activities after graduating.

The invitation will arrive via a letter from the Minister for Education, or an email or phone call from the Queensland Government Statistician's Office. Please check your contact details are correct with the school and learning account that you can access via the student portal at <https://myqce.qcaa.qld.edu.au/>.

Your feedback helps our school improve services for future students, and you can win a prize for participating. For more info visit [www.qld.gov.au/nextstep](http://www.qld.gov.au/nextstep).
